Follow all the excitement with #astrofest

ASTROFEST

SATURDAY 12TH MARCH 2016, 5.30-9.30PM

Curtin Stadium, Curtin University (next to Edinburgh Oval, Bentley)

An astronomically awesome event!

This astronomy festival of epic proportions will be a fun celebration of Australian science. As well as optical and radio telescopes observing throughout the day and night, Astrofest will feature a myriad of interesting, engaging and exciting indoor and outdoor activities for the whole family. Plus, enter to win a 10” dobsonian telescope thanks to Skywatcher Telescopes!

Rain, hail or shine, this FREE event will go ahead!
With telescope observing throughout the evening, Astrofest activities will also include...

- Solar Observing from 5pm
- Model of the Square Kilometre Array telescope
- Scitech Spacedomes and science shows
- Night sky tours and guest speakers
- Radio astronomy
- Giveaways for the young and young-at-heart
- Info stalls and hands-on activities
- Astrophotography competition
- Telescopes to try and buy

Register at astronomywa.net.au by Thursday 10th March for your chance to win a prize!

Check astronomywa.net.au for the full program.

Take a look through some of WA’s biggest amateur telescopes and watch expert demonstrations.

Bring an early dinner and make yourself comfortable in the picnic area, or there is food available from a variety of vendors.
